

Virtual Trauma Resuscitation in Kids (TRIK)

What?

TRIK is a virtually hosted, one day course administered by the Canadian Association of Emergency Physicians (CAEP) and hosted by the provincial pediatric trauma program.

Why?

- Saskatchewan has amongst the highest rate of traumatic injury in Canadian Children
- With our rural and remote geography early assessment and stabilization is key to successful outcomes

Who?

- **TRIK has been designed to support providers in all settings with a specific focus for rural emergency care**
- 32 seats have been generously funded by the JPCHF as part of the National Thistledown Foundations Children's Hospital Grant

When?

There are **two** virtual course options:

- **Friday November 17, 2023 from 8 a.m.—4:30 p.m.**
- OR**
- **Tuesday Nov. 21, 2023 from 8 a.m.—4:30 p.m.**
